BIOGRAPHY:

I studied cinematography at the National Film and Television School and graduated early in 2009. Since graduating I have shot four low budget features including "The Horror of the Dolls" winner of the 28 Days Feature Film Challenge 2010 and "Hard Boiled Sweets" which has just been sold to Universal, as well as many short films, promos and commercials. Before studying at the NFTS I was a Clapper Loader for five years working on films like United 93, Brick Lane and My Summer of Love.
